Greater Boston Chapter American Society of Safety Engineers
www.asseboston.com

Date: **Thursday February 17, 2011** **Time: 5:30 PM—9:00 PM**
Location: **Doubletree Guest Suites**
550 Winter Street Waltham, MA 02451; (781) 890-6767

Please join GBC ASSE for a technical meeting presentation.
CEUs have been applied for this meeting!

Topics: OSHA review of the 2010 inspection and fatality information from the Massachusetts OSHA Offices. New targeted audiences, standards and emphasis programs have been introduced and what companies can anticipate in the coming year from the agency.
Crane and Derrick standards update.

Speakers:

Timothy Irving, CSP

Tim Irving is the Compliance Assistance Specialist (CAS) working in the OSHA Braintree area office. Previously Tim worked as a Compliance Safety and Health Officer on the construction strategic team. Tim holds both journeyman and master electrician licenses in Massachusetts and before making the transition into the safety field he ran his own electrical contracting firm in Boston. He has his degree in management from the University of Massachusetts and has earned professional designations in risk management, construction safety and is a Certified Safety Professional.

Eric Stalmon

Eric Stalmon is currently the safety representative at the Marr Companies in South Boston. He has an extensive background in heavy civil construction safety primarily in the field of underground hard rock tunneling as well as scaffold, steel erection and Cranes. He is an authorized OSHA outreach trainer and a JLG certified trainer in Aerial Work Platforms. He holds a degree in Business Management with a minor in Behavioral Science (Sociology) from Bentley College. He is a State Of Massachusetts Certified EMT and a Lieutenant on the Waltham Auxiliary Fire Department.
